

CalAggie9 – October 2008

“Haiku Project”

Haikus related to UCD’s Centennial
or just UCD. CalAggie9@gmail.com

Century of growth
Progress with diversity
Tradition maintained

Davis decades, ten
Undergraduate years, four
Aggie Pride, priceless

Ready the sling shots
Mix of fear and excitement
Tube socks fill the sky

The ghosts of Toomey
Have a new place to dwell at
Aggie Stadium

Hut, nineteen oh eight
Hut, twenty oh eight, blue, gold
Hike, goes long. ...Touchdown!

Cheering Aggie fans
One hundred years and counting
Bleeding blue and gold

Across Davis Quad
the fall afternoon sunlight
warms my "what if" thoughts

River runs through it
Kind of, algae laden pond
Quacking hilly lawn

Bicycles en masse
Century old tradition
Crashing in circles

Aggies Beat Sac State
An annual tradition
Like Sun rotation

Aggie tradition
One hundred years of learning
Just the beginning...

Fresh dew on the ground
Racing around Toomey Field
Its more quiet now

Halftime, what's in store?
Is that a whole pizza pie?
Can I have a slice?

Davis blue and gold
The spirit within us all
A place I call home

Davis Aggie Pride
It runs through each one of us
And will never fail

Friends of blue and gold
Alma mater's story told
A century old

The harvesters roll
Through valley tomato fields
Thanks to Aggie thoughts

Aggie Stadium
Alive with new Aggie Pride
next century starts

Alma mater love
Hundred year institution
Aggies plow future

Picnic Day arrives
People come from far and wide
Celebrate the scene

Aggie Pride lives here
Wear your Aggie blue and gold
Go Ags beat Sac State

Eggheads glistening
The arboretum blooming
Watertowers glow

Growing world leaders

Fistulated cow
Things you never thought you'd see

UC Davis pride

Duck duck duck duck goose
Roosters chickens cross the road
Cars stop but bikes don't

Faculty, students
Knowledge created and shared
Knowledge goes forward

Dairy on campus
Next to the dormitories
Got Smell? And fresh milk

Perched by the hundred
Crows in the dense trees; you clap!
And like rain, they crap

Let there be light since
Davis' birth, 100
Years service to Earth!

Davis Campus taught
one hundred years of students
thinking skills they sought

Oak trees line the Quad
Lazy day warmed by the sun:
Oh, Shi_! My Chem test!

Centennial signs
UC Davis party time
Aggies on my mind

Scorching summer suns
Windy wet whooshing winters
Hundred year climate

Socks and Birkenstocks
Centennial clock tick-tock
Aggies don't wear out

Block C A before
Block C A forever more
Cowed and plowed for sure

Fear my Aggie pride
Davis plates on my Bentley
Skatin' twenty-twos
